\*Terms & conditions apply

Material	PLA	ABS	TPU
Price	1.80/ gram	1.80/ gram	2.00/gram

## Bring Your Design to Reality

my3dshoppe is fully owned by Robopreneur Sdn Bhd. We offer 3D printing (plastic & metal) and 3D scanning services using our high-end 3D printer and scanner. Don't worry if you don't have the product's drawing. Our 3D expert designer will help you to put your ideas into mechanical drawing, and print it out for you. Get amazed with the easiest and friendly support from our crew.

Our 3D scanning service produce very detail scanning result, suitable for reverse engineering, 3D design and Additive Manufacturing. Purchase your own 3D printer and 3D scanner from selection of our high performance products in our store.

## Our Services

- Sales & services of 3D Printer & Scanner
- 3D Printing & 3D Scanning services
- 3D Design & Modelling
- Product Prototyping & Reverse Engineering
